Sir,

I have the honor to forward herewith for the information of Government copies of letter No: 612 dated 18th February 1907 with enclosures from the Assistant Superintendent of Police, Chitaldroog District, submitting a detailed report regarding the detection of the Chitaldroog Town torchlight dacoity case, and the conviction by the Sessions Judge of 4 Korchars belonging to an organized gang of dacoits to long terms of imprisonment; and recommending the grant of rewards amounting in all to ₹370/- to the Police officers and others of the Mysore State, and the Madras Presidency, for the valuable services rendered by them in connection with the said case.

The Sessions Judge, Shimoga Division, in his judgment (copy enclosed for favour of perusal and obliging return) speaks in very high terms of the services of the Police officers and men who worked up this case; and I concur with him in thinking that Inspector Sri Narasimha Shastri, and those who worked with him, deserve very great credit for their persevering efforts directed towards the detection of this difficult case.

I request that you will be so good as to move the Government to sanction the rewards proposed by the Assistant Superintendent of Police, as per list attached to his letter. The amount will be met from the head "Reward for good service"

On receipt of sanction of Government, the Inspector General of Police, Madras will be addressed in regard to the acceptance of the rewards by his officers and men.

Office of the

From,

B. Ramaswamiah Esquire, B.A.,
Assistant Superintendent of Police,
Chitaldroog District.

To,

F. E. C. Carr Esquire,
Inspector General of Police
in Mysore.

Sir,

In continuation of my memorandum dated 23rd June 1906 re the steps taken towards the detection of the dacoities that occurred in the Chitaldroog District in May and June 1906, I beg to state that Head Quarter Inspector Sri Narasimha Shastry, who was put on special duty in connection with the detection of the torchlight dacoity of the Chitaldroog Town, left Chitaldroog on the 25th June in search of the organized foreign gang of professionals and first of all proceeded towards Jajoor in the Chellakere Taluk with a party consisting of acting Jamedar Seetharamiah Duffedar Kopresa Rao, constables Parasa No: 189, Venkappa No: 173 Fakaruddin No: 255 and Koracha informants. Information was received on his way about the appearance of a gang of 15 Korachars in Ullarty Kaval in the Chellakere Taluk on the 18th May, on the night of which a case of house-breaking and theft was committed in Giriyammanahalli of the same Taluk and a similar gang was reported to have been found in the hillock near Jajoor on the 24th of May, that is 4 days after the occurrence at Chitaldroog. Jajoor being on the frontier of the Bellary and Ananthapur Districts the Head Quarter Inspector had reason to suspect that the gang concerned in the Chitaldroog Town dacoity must have proceeded

proceeded into the Bellary or Ananthapur District and hence turned his attention first towards the gangs, that reside in the frontier of the Ananthapur District, got the movements of the gangs and their receivers watched till about the 4th July, when he was satisfied that none of the gangs on this side had anything to do with this dacoity.

2. Information was in the meantime brought on the 4th July by our informant to the effect that a gang of about 15 Korachars was seen on or about the 24th May in the limits of Rayadrug Taluk, Bellary District, and that these Korachars had, when met and questioned by a Korachar female of Chintalapally village, Kaliyandrug Taluk, stated that they were from a gang encamped at Bevinahal in the Aloor Taluk of the Bellary District. The Head Quarter Inspector went with his party to Bevin-hal and learnt from enquiries made, that no gang visited that village either before or after the commission of dacoity in Chitaldroog. He then came back to Rayadrug and arranged 2 search parties. Jamedar Seetharamiah headed one party to search on the borders of Rayadrug, Kaliyandrug and Chellakere and the other was under the guidance of the Head Quarter Inspector himself to search on the borders of Molakalmuru Taluk of this District and Rayadrug and Kudligi Taluks of Bellary District, and the Native State of Sondoor.

3. The above arrangement resulted in securing the information of the commission of another torchlight dacoity in the village of Gowripur near Sondoor about the end of May 1906. After verifying this, he enlisted the services of another detective of the Koodligi Taluk, began to collect information about the state of crime and the movements of the gangs that were in the limits of Kudligi, Harapanahalli, Hodagali, Bellary and Hospet Taluks.

4. He heard on the 20th July of the commission of two road dacoities between Siriguppa and Adoni of Bellary District and proceeded to Tungabhadra Railway Station on the borders of

His

His Highness the Nizam's Dominions, where he met Inspector Seshiah Naidoo of Yemmaganoor Division, with whose assistance he got the borders of Nizam's Dominions searched and satisfied himself that no suspicious gangs had taken shelter there.

5. The Head Quarter Inspector then left the Tungabhadra Station on the 25th July for Adoni and learnt at Kosgi on his way of the existence of a bad gang of Korachars at Mantrike in the Adoni Division, the association of the supernumeraries and absentees of that gang for criminal purposes since April last, and the commission of a house dacoity in the Adoni Taluk at the end of May last. On receipt of this information the Head Quarter Inspector considered it worth his while to try a chance here and see if this association had anything to do with the dacoity at Chitaldroog. At Adoni the Inspector of that Division was absent. Narasimha Shastry went to Bellary and met him and the Inspector of Yemmiganur on the 30th July at Bellary during the meeting of all the Inspectors of that District in the Superintendent's office and learnt from Inspector Krishnaswamy Naidoo of Adoni Division, that the association referred to above consisted of not only the supernumeraries and absentees of gang No: 6 at Mantrike, but also those of gang No: 31 at Lackumdinne in the Kurnool District and that the members of the said associa-tion had run away, when he caught one of them named Ramadu on the 17th July, whom he got bound over for good behaviour under the security sections and that the others were still lurking in the hills of his Division. The information got at Kosgi was thus verified, and the Head Quarter Inspector represented to Mr. Hannyngton, the then District Superintendent of Police, of Bellary his mission and as kindly instructed by him, held a conference with the Inspectors of Adoni and Yemmiganoor about the measures that had to be adopted to arrest the Korachars, who were then changing their abode from hill to hill in the Yemmiganoor and Adoni Divisions. The Inspectors promised to render help most earnestly within their respective jurisdictions.

6. The Inspector of Adoni and the Head Quarter Inspector arranged

arranged to capture the Korachars if they were found in the hills of Adoni Division. In the meantime I wished to know personally how the Head Quarter Inspector was engaged in the Bellary District and went to Bellary on the 6th August. The Head Quarter Inspector met me there that day and reported to me the details of the progress made by him and proceeded to Adoni.

7. The 3 Inspectors went on making several attempts to capture the Korachars, who were in their turn managing to baffle the best attempts made by the Inspectors. At last on the 18th of August a sheep was stolen from the cattle shed of Yellareddi, the village Magistrate of Peddakadaboor, Yemmiganoor Division, and the complainant succeeded in arresting a Koracha named Thimmadu alias Chinna Ramadu, one of the supernumeraries of Mantrike gang with the skin of the stolen sheep, when he was lurking in the hills of Peddakadaboor in company with 5 other Korachars. While this Koracha was undergoing trail before the Sub Magistrate of Adoni in connection with the said sheep theft, the Head Quarter Inspector met on the 25th of August at Guntakal Mr. Mainwaring, the District Superintendent of Bellary and requested him to order the Inspectors of Adoni and Yemmiganoor to pay particular attention to the capture of the other Korachars at large. His request having been complied with, Dockadu alias Nagadu, who had absented himself from the Mantrike gang from the 3rd March 1906, was arrested on the 12th September, when he was in company with other Korachars in a cave called Parivalapada in the Kosgi hills by Subboji Rao, Station-house officer of Kosgi and was placed with a charge sheet before the Deputy Magistrate of Adoni to be bound over for good behavicur.

8. Definite information having been received on the night of the 13th September 1906 of the appearance of some Korachars in the Doddanakere hills near Adoni, the Head Quarter Inspector and the Inspector of Adoni proceeded to Doddanakere with the aid of Jamedar Seetharamiah and constable Parasa of this District, Siva Singh station-house officer of Adoni Kasba,

Khadar

Khadar Khan, station-house officer of Adoni Town, station-house officer Kesaval Naidu of Kurnool District, who was on leave at the time, and several constables of Adoni Division, contractor Varadarajalu Naidu and others, took the assistance of Tayur Sab the village Magistrate of Doddanakere, his talaries and several other villagers and began to search the hills in different batches the same night. At about 4-30 A.M. on the 14th September the village Magistrate Tayur Sab of Doddanakere village came across with a Korachar named Venkatagadu, who was absent from the gang from 3rd March 1906, caught hold of him while running out of a cave called Ullakayi Gudda and bawled out "the thief is caught, the thief is caught". On hearing the alarm, the Head Quarter Inspector and the Adoni Inspector who were in a different side came up with their followers for help. Station-house officer Khadar Khan who had gone in pursuit of 3 other Korachars, who were found running away about the same time in another direction returned and reported that they made good their escape. Koracha Venkatagadu, who had been well secured, promised the Inspectors that he would give out the whole truth and in so doing admitted his participation in the Chitaldroog Town dacoity implicating Timmadu alias Chinna Ramadu, who was arrested on the 18th August by the village Magistrate of Peddakadaboor, Dockadu alias Nagadu who was arrested on the 12th September by Station-house officer Subboji Rao of Kosgi, Subbadu and Yellagadu of Lackumdinne gang in the Kurnool District, Reddi Timma of Medakerepur village in the Chitaldroog Taluk and some other Korachars of Mantrike and Lackumdinne gangs. He then gave information, which led to the discovery of some gold and silver jewellery, which he had conceale underneath a rock in the same hill. Some of these jewels corres-ponded with the jewels lost in the Town dacoity. He mentioned, that Dokkadu had sold a coat and a shirt to a Mohameddan of Adoni and Subbadu and Yellagadu of the Lackumdinne gang, who were also concerned in the dacoity had lately joined the gang. Inspector Krishnaswamy Naidu of Adoni and Station-house Officer Khader Khan of Adoni Town recovered the coat and the shirt from fish-seller Nadimulla Sab, who said that he had purchased the

same

same in the month of July from a Koracha, when he was in company with 3 other Korachars in the toddy groves of Mantrike. He identified Koracha Venkatagadu, Dokkadu and Timmadu.

9. Jamedar Seetharamiah and Adoni Town Constable Abdul Khader were deputed to go to Lackundinne for arresting Korachars Subbadu and Yellagadu. They did so and had then produced for remand before the Stationary Sub Magistrate of Pattikonda Taluk through the station-house officer of Terinkal Police station. Jamedar Seetharamiah further learnt at Tarinkal from station-house officer Venkatareddi, that the Gonagondla Police had, in June last, seized about 7 and odd tolas of gold jewels of the kind stolen in the Chitaldroog Town dacoity from one Dasiri Seshiah of Yennagondla, when he was selling the same to one Vysyara Govindappa of Kyranadi village on suspicion of the former's having received the same from the Korachars of Lackundinne gang and that the jewels were then in the custody of the Sub Magistrate of Pattikonda. On hearing this from Jamedar Seetharamiah, the Head Quarter Inspector sent a wire to the Sub Magistrate of Pattikonda requesting him to remand Subbadu and Yellagadu to jail and to detain the jewellery seized from Dasiri Seshiah pending the arrival of complainants from Chitaldroog.

10. In the meantime Mr. Mainwaring the District Superintendent of Police, Bellary arrived at Adoni on the 20th September and made enquiries of the progress of the investigation.

11. Complainants Seshappa and Bheemarayappa, who were sent by me from Chitaldroog, reached Adoni on the 21st September, on which day Bheemarayappa duly identified Venkatigadu, who was arrested in the Doddanakere hills on the 14th September, as the person, who held the torch and Dockkadu alias Nagadu, who was arrested on the 12th September as the person, who beat him with an axe at the time of dacoity. Both Bheemarayappa and Seshappa identified some of the gold and silver jewellery produced by

Venkatagadu

Venkatagadu and the coat recovered from Nadimulla as those, that were taken away by the dacoits at the time of the occurrence. Mr. Adikesavalu Naidu the then Sub Magistrate of Adoni recorded the evidence of Bheemarayappa, Seshappa, Nadimulla and Inspector Krishnaswamy Naidu on the 22nd September as requested by the Head Quarter Inspector.

12. Narasimha Shastry then left Adoni with the 2 complainants, Nadimulla and Inspector Krishnaswamy Naidu and reached Pattikonda on the 23rd September and learnt from the Sub Magistrate there, that the jewellery which he was asked to detain, had been returned to Dasiri Seshiah on the 17th August as soon as he was discharged in the case brought against him by the Ganagundla Police under sections 411, 414 or 379 of Indian Penal Code in connection with that jewellery, as the owners thereof were not traced. However Dasiri Seshiah had been brought to Pattikonda as he failed to produce, as per Magistrate's orders, the jewellery that had been returned to him. On questioning, Dasiri Seshiah stated that he purchased the jewellery in question for Rs 141/- on the 29th May last from Korachar Subbadu and Yellagadu of Lackumdinne gang, that he was caught by the village Magistrate of Kyravadi on the 31st idem, when he was showing the same to Komati Govindappa of that village to get their real value estimated, that the jewellery were returned to him after he was prosecuted and discharged by the Sub Magistrate of Pattikonda, that he then got all the jewellery except 20 gold kolaveys melted by goldsmith Hassain Sab of Kadinella and sold the gold ingot to him for Rs 81/-. He also promised to produce the kolaveys and to show the goldsmith, that melted the jewellery. His statement was then recorded by the Sub Magistrate as desired by the Head Quarter Inspector, who also obtained warrants from the said Magistrate to search the houses of goldsmith Hassain Sab of Kudivella and Komati Govindappa of Kyravadi. On the receipt of an application from the Head Quarter Inspector, the Sub Magistrate also tried on the same day if any of the complainants, or Dasiri Seshaiah or Nadimulla would identify Korachar Subbadu and

Yellagadu

Yellagadu, who were under his remand by mixing the 2 Korachars with other undertrial prisoners of the same caste and several villagers also giving the two accused a shave at the same time Complainant Bheemarayappa identified Subbadu as the one, that removed the neck-lace from his mother's neck at the time of the occurrence, Nadimulla identified the same Subbadu as one of those, that were present with accused Dokkadu alias Nagadu, when the coats were sold to him and Dasiri Seshappa identified Subbadu and Yellagadu as the persons, who sold him on the 29th May 1906 the gold Kolaveys, which he promised to produce and the other jewellery, which he got melted and sold to Kodivella Hassain Sab.

13. The Head Quarter Inspector and the Inspectors of Adoni and Pattikonda then went to Kadivella village with Dasari Seshadu and questioned goldsmith Hassain Sab who was shewn by the former. Hassain Sab corroborated the statement of Dasiri Seshadu and produced 2 pieces of gold as the remnants of the ingot, which he purchased from Dasiri Seshadu and out of which, he had prepared a bangle and 2 rings and sold the same to Marvadi Karamchand of Adoni. With these 2 pieces, the party moved on to Kyravadi, seized 2 gold Savantige Huvoos, 2 Bugadies and a Lavangada Huvoo, which they found in the house of Komati Govindappa and also took possession of the gold kolavies produced by Dasiri Seshadu and produced all these articles on the 27th September before the Sub Magistrate of Pattikonda, who showed them to the complainants when one of the complainants named Seshappa identified only the Kolaveys as those worn by his wife at the time of dacoity. The Sub Magistrate then recorded the statements of complainants Seshappa and Bheemarayappa, Nadimulla and Inspector Mr. Krishnaswamy Naidu.

14. Marvadi Karamchand was then traced at Adoni and he corroborated the statement of goldsmith Hassain Sab, but the gold bangle and the rings which he had purchased from the latter could not be traced as the Marvadi was unable to give out the name of the person who had purchased the same from

him.

him.

15. Meanwhile on the information given by the Head Quarter Inspector, Reddi Timma of Madakerepur was arrested and sent over to Adoni with instructions to Head Quarter Inspector to confront the said Thimma to the confessing accused and ascertain from the latter if the former was the one, that showed him and his accomplices the house of the complainant at Chitaldroog. Accused Dokkadu alias Nagadu gave a confession statement before the Adoni Sub Magistrate and also identified Madakerepur Timma as the person who showed him and his accomplices the house of the complainant at Chitaldroog and had a share in the booty. The attempts made to recover the jewellery that went to Timma's share were of no avail.

16. The extradition proceedings were then taken against Korachars Venkatagadu, Dokkadu alias Nagadu, Timmadu alias Chinna Ramadu, Subbadu and Yellagadu and they were brought to Chitaldroog on the 17th November in pursuance of the extraditio warrants issued by the Hon'ble the British Resident.

17. On the representation made by Narasimha Sastry to Mr. Rama Rao, the Deputy Magistrate of Adoni and on the report of the latter, the District Magistrate of Bellary ordered the staying of the proceedings against Koracha Dokkadu alias Nagadu under sections 109 and 110 of Criminal Procedure Code pending the issue of extradition warrant for his surrender to undergo trial at Chitaldroog for this dacoity.

18. The jewels seized in Bellary and Kurnool Districts were shown to the women of the complainants' house and some of them were clearly identified.

19. After securing the evidence of Koracha Munigadu of Jummenabenahalli in the Kudligi Taluk, who was said by accused Dokkadu alias Nagadu to have seen himself and his accomplices on the 18th May in the halla between Advisoornahalli and Soulanakere in the Molakalmuru Taluk, while they were on their way to Chitaldroog, the Head Quarter Inspector closed his investigation on the 29th November and submitted

submitted a charge sheet in the case to the Assistant Commissioner and 1st class Magistrate of Chellakere Range, who after a preliminary enquiry committed the marginally noted accused persons for trial to the Court of Sessions and discharged Medakerepur Timma on the ground that the evidence adduced against him was insufficient to justify his committal.

1 Venkatigadu.
2 Dokkadu alias Nagadu
3 Thimmadu alias Chinnaramudu.
4 Subbadu.
5. Yellagadu.

20. Inspector Mr. Seshiah Naidu of Yemmiganoor Division followed the investigation conducted by the Head Quarter Inspector in the Pattikonda Taluk and on 25th December questioned during his rounds in his Division limits, one Hanumadu of Ralladoddi village whom he suspected as having had dealings with the Korachars of Lackumdinne gang, if any Korachars of that gang ever visited his village. Hanumadu then stated before the Inspector that on or about the 14th of August last he met near his field accused Venkatagadu, Yellagadu and Subbadu that he then found in the possession of Venkatagadu one gold Nagara and a single Bugadi and that he took them from him as a security for the amount of ₹ 15/- which Venkatagadu had borrowed from him. Hanumadu also produced the 2 jewels which the Inspector took possession of in due course and sent them over to me to try if they were among the articles stolen from complainant Seshappa's house. When they were shown complainant Seshappa and his females identified them as those, that were taken away by the dacoits. Thereupon Inspector Mr. Seshiah Naidu and Hanumadu were summoned to attend the Court of Sessions and give their evidence as supplementary witnesses.

21. This case was taken up for trial in the Court of Sessions on the 4th February 1907 and closed on the 11th idem. The learned Judge concurring with the 3 assessors convicted accused Venkatigadu, Dokkadu alias Nagadu, Subbadu and Yellagadu with dacoity under section 397 Indian Penal Code and sentenced each of them to undergo rigorous imprisonment for 10 years and agreeing with the 1st assessor and differing from the 2nd and 3rd assessors acquitted Timmadu alias Chinna Ramadu on the 13th February 1907 giving him the benefit of doubt. The

learned

learned Judge has in conclusion passed some important remarks about the investigating officers concerned and I have herewith submitted an extract thereof for your kind perusal. I have sent extracts of these to the District Superintendents of Bellary and Karnool for the information of the respective Inspectors of those Districts.

22. Thus a case of a very serious nature that had caused unusual stir and sensation when it occurred, has been brought to a successful termination and I have personally congratulated the officers and men that were engaged in its investigation.

23. The services of Head Quarter Inspector Sri Narasimha Sastry have been so highly commended by the learned Sessions Judge that I am unable to find expressions to add to his valuable remarks and I will not therefore attempt to paint the lily. Narasimha Sastry deserves to be rewarded in the most conspicuous manner possible and I would humbly suggest that in addition to a gold medal and clasp worth ₹100/- he should also be promoted to a grade carrying ₹150/- in the Police Department which cannot afford to lose his valuable services for the time being in favour of any other Department though no doubt he is quite cut out for an Amildary.

24. Seetaramiah who was then only an acting Jamedar and whose services the learned Judge has also commended has since been confirmed in the 2nd class of that grade and as he has obediently and very willingly seconded Narasimha Sastry in the detection of this case, he may be kindly granted a silver medal or a money reward of ₹25/-.

25. Duffedar Kopresa Rao who is in the last grade will be promoted to the next higher grade and 2nd class constables Parasa and Venkappa who worked very hard and who are reported to be very trustworthy, will be promoted to the 1st class. Small money rewards of ₹10/- each will also be a great incentive to these poor men.

26. Two Korachar informants Venkata and Ganga were very useful and evinced great tact and earnestness and they deserve to be rewarded with a silver bangle each worth ₹20/- with suitable inscription.

27. As regards the rewards richly deserved by the Police Officers and others of British India I have enclosed a roll in the prescribed form for your sanction. Inspectors R. Seshiah Naidu, and G. Krishnaswamy Naidu deserve the greatest credit while Venkatarama Iyer of Pattikonda was of no small help. The Head Constables and Reddies have also very cheerfully helped in arresting these Korachars. Out best thanks are due to the above officers for their earnest cooperation from start to finish.

28. I should not omit to express my obligation to Public Prosecutor Mr. B. Guru Rao for the pains, earnestness and wholehearted thoroughness with which he prosecuted this case in the Sessions Court. Prosecuting Inspector H. T. Narna Iyengar had also prosecuted this case well before the Magistrate.

29. Another dacoity that was committed on the 20th May 1906 near Bethur in Devangere Taluk and referred to in my memo of June last has also been detected and the 6 accused Lambanies who are since handed over by the Bellary Police on extradition warrants, are placed before the Assistant Commissioner Magistrate of Davangere for preliminary enquiry and the result of their trial will also be reported in due course.

To,

K. S. Chandrasekhara Iyer Esquire, B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,

Sir,

Reference:-

Your letter No: J.3392/Police 163-06-2 dated 4th May 1907.

As regards the letter and report from the Assistant Superintendent of Police, Chitaldroog, relating to the matter of rewards recommended for certain Police officers for good work rendered, I have the honor to state that I have in no way "ignored" the Deputy Commissioner; through whom the report was submitted, and who countersigned and forwarded the same to this office. In the copy sent to Government the countersignature of the Deputy Commissioner, on the margin of the report, forwarding the same, was omitted by oversight. Original sheet sent for reference, and favour of return.

2. I was personally acquainted with the fact that both the late Deputy Commissioner, and the present officer, took the very greatest interest in the case and had followed it through all its stages, and were most favourably impressed with the good

work

work done by Inspector Sri Narasimha Sastri and the other Police officers. In sending up the letter and report to Government, it never struck me for a moment to notice whether the Assistant Superintendent had signed the letter "For Deputy Commissioner", or whether it had been forwarded to my office through the Deputy Commissioner, and countersigned by him.

3. I receive dozens of letters signed "For Deputy Commissioner", and others forwarded "through the Deputy Commissioner", the divergent procedure being apparently directed by the personal wishes, orders, or idiosyncrasies of individual Deputy Commissioners.

4. I have no means of ascertaining to what extent the several Deputy Commissioners have delegated their Police powers to District Superintendents and Assistants, in allowing them to sign "For Deputy Commissioner"

This may result, as in this instance, in a clerical oversight in my office, and my being censured by Government for some act of omission or commission of which I may be wholly ignorant.

5. This state of affairs I would beg to impress upon Government is most unpleasant; and to remedy the possible recurrence of such incidents, I would request Government to be so kind, as to issue instructions to all Deputy Commissioners, that all important letters addressed to the Inspector General of Police by District Police Officers, should be forwarded through, and be countersigned, by Deputy Commissioners themselves - as is the invariable practice in all Deputy Commissioners' offices, with regard to correspondence passing between District Forest officers and the Conservator of Forests; Excise Assistants and the Excise Commissioner; and Executive Engineers and the Chief Engineer.

6. In this connection I would call attention to section 15 of the Draft Mysore Police Regulation of 1902; and to para

14 of the Report dated 15th March 1905 of the Police Committee published in the Mysore Gazette dated 29th November 1906; which define clearly what may be considered matters of a routine nature, and what may be considered important, with reference to District Police administration. These rules may I venture to suggest be promulgated at once with advantage; and in advance of the Police Regulation; seeing that they refer merely to ordinary official correspondence, and have nothing to do with legal or technical matters.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.

Para 14 of the Report dated 15th March 1905 of the Police Committee published in the Mysore Gazette dated 29th November 1906.

14. We have deemed it expedient that the District Superintendent should continue to be the Assistant to the Deputy Commissioner and not be made the head of the District Police himself, but we have made an important addition to the existing provision in this sub-section permitting his exercising all or any of the powers of the Deputy Commissioner under the Regulation subject to the rules which the Government may make and to the general control of the Deputy Commissioner. We have provided that without prejudice to the powers and responsibility of the Deputy Commissioner, the District superintendent shall have direct control over all ordinary matters connected with -

Section 14-15 (1) Powers of District Superintendent.

(a) arms, accoutrements, clothing,

(b) drill, exercise,

(c) observation and surveillance of gangs, known depredators, suspects; collection and communication of intelligence and information; identification of persons by finger prints or otherwise,

(d) distribution of duties and beats,

(e) education of men and officers in laws, orders, and modes of Police procedure, and

(f) all other ordinary matters of a routine nature; and that the District Superintendent may likewise correspond direct with the Inspector General in such ordinary matters save those relating to observation and surveillance of gangs, collection and communication of intelligence and information, distribution of duties and beats and the education

of

of men and officers. The District Superintendents do, at present, dispose of various matters without reference to the Deputy Commissioners and they likewise address letters to the Inspector General but in the name of the Deputy Commissioners.
